

CableCAD[®] Registration

Please complete and return this Registration Card before you use the CableCAD Software for the first time. Register now for:

- Telephone support during normal business hours, under the terms set forth in the License Agreement.
- New product announcements.

Registration is required in order to receive support and program updates.

By signing and returning this Registration Card, you confirm (1) that you have read the License Agreement included with the CableCAD Software and that you agree to be bound by the terms and conditions of the License Agreement and (2) that you particularly understand and agree that the Licensed Materials must not be used to design and produce cables and ropes as final products without physical testing of prototypes.
